

THE A.B. WALKOM SCHOLARSHIP

(Established in 1968 by a gift of \$5,000 from A. B. Walkom, DSc Syd., Lecturer in Geology at the University of Queensland from 1913 to 1919, during which time he commenced to build up the University's palaeontological collections, developed the teaching in historical geology, and carried out and published the results of important research on the Mesozoic plant fossils of Queensland.)

1. The scholarship is awarded annually by Senate on the recommendation of the Head, School of Earth Sciences ("the Head").
2. The scholarship is awarded to a student who -
 - (a) has qualified for the Bachelor of Science in the field of earth sciences or geology;
and
 - (b) is proceeding towards an honours degree with palaeontology as their major research topic; and
 - (c) in the opinion of the Head, is best suited to pursuing that honours program.
3. If there is no suitable candidate, the scholarship may be awarded to a student proposing to undertake honours with stratigraphy as his or her major research topic.
4. The value of the scholarship shall be approximately equal to the annual income from the Fund.
